October NEWSLETTER

RESPECT • OWNERSHIP • ATTITUDE • RESPONSIBILITY

Hello, October!

Fall is officially here, and our Wildcats are on the move!

Interventions are off to a great start, and we are already seeing the hard work show up in our progress monitoring. **Small groups + hard work = GROWTH!**

Homecoming Week brought lots of school spirit, dress-up days, and plenty of orange and black! ❤️❤️

As we head into **October**, we are continuing to work on our day-to-day routines and expectations while holding all students accountable for their **behavior** and **their learning**.

Let's keep the momentum going and make it a great October, Wildcats!
