Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2022-23 educational progress for Marcellus Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Principal Tracy Cropsey for assistance.

The AER is available for you to review electronically by visiting the [MiSchoolData website \(https://www.mischooldata.org/annual-education-report-1?Common\\_Locations=1-S,16780,1334,93\)](https://www.mischooldata.org/annual-education-report-1?Common_Locations=1-S,16780,1334,93) or you may review a copy in the main office at your child's school.

For the 2023-24 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-23. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given. Our school, Marcellus Middle School, has not been given one of these labels.

State law also requires that we report additional information.
